goziennabuiife@yahoo.com

Nursing (RN) graduate in general nursing practice and with specialty interest in cardiovascular nursing/cardiac catheterization unit. Greg is seeking to leverage on the amazing opportunity as cath lab nurse in the renowned imperial NHS trust to equip self with much more practical experiences. I strongly believe that this opportunity will help me be an excellent Nurse and fuel my passion in helping patients with heart diseases in London and the rest of the UK at large.

I have an excellent interpersonal skills, self-motivated and a dedicated worker with a sense of purpose. Possess a Bachelors Degree in Nursing from the prestigious Obafemi Awolowo University, Ile-Ife, Nigeria and registered as General Nurse by the NMC UK.

DURATION OF UNDERGRADUATE STUDY AT THE DEPARTMENT OF NURSING SCIENCE, COLLEGE OF HEALTH SCIENCES, OBAFEMI AWOLOWO UNIVERSITY

- DURATION: 5 year duration from 2011 to 2016
 - ✓ Preclinical years (2011 to 2013) mostly made up of theoretical class room lectures in basic sciences, anatomy, physiology, biochemistry, foundation of nursing, microparasitology and

pathology etc. Basic schedule was weekdays (Monday to Friday) and time of lecture depended on university and departmental scheduled time-table for each course.

- ✓ Clinical years (2013 to 2016). Comprised of theoretical lectures, patient interaction and clinical experience at the University Teaching Hospital. Class room lectures with clinical practice with weekday shifts as well as weekend shifts in either morning (7am till 2pm), afternoon (2pm to 7pm) or night shift (7pm to 7am). This was done consistently for the three-year clinical period.
